

## ANEXO ESPECIFICACIONES TÉCNICAS MÍNIMAS

Las especificaciones técnicas mínimas para contratar el “SUMINISTRO DE REACTIVOS EXCLUSIVOS DE LAS MARCAS OXOID, REMEL, KYLT® Y THERMO TREK PARA LOS LABORATORIOS DE LA SUBGERENCIA DE ANALISIS Y DIAGNOSTICO”, son:

### SUMINISTRO DE REACTIVOS:

| ITEM | DESCRIPCION                                   | MARCA | PRESENTACIÓN  | Cant Total |
|------|-----------------------------------------------|-------|---------------|------------|
| 1    | Agar Bacteriológico (Agar No.1) Agar Agar     | OXOID | Frasco x 500g | 16         |
| 2    | Medio Base Brucella                           | OXOID | Frasco x 500g | 1          |
| 3    | Agar Base Sangre #2                           | OXOID | Frasco x 500g | 12         |
| 4    | Agar Base de Urea                             | OXOID | Frasco x 500g | 13         |
| 5    | Agar Cetrimide                                | OXOID | Frasco x 500g | 3          |
| 6    | Agar Extracto de Malta                        | OXOID | Frasco x 500g | 9          |
| 7    | Agar Enterico Hektoen                         | OXOID | Frasco x 500g | 13         |
| 8    | Agar Lisina Hierro (Agar LIA)                 | OXOID | Frasco x 500g | 2          |
| 9    | Agar MacConkey #3                             | OXOID | Frasco x 500g | 14         |
| 10   | Agar Mueller Hinton                           | OXOID | Frasco x 500g | 4          |
| 11   | Agar Nutritivo                                | OXOID | Frasco x 500g | 14         |
| 12   | Agar Papa Dextrosa                            | OXOID | Frasco x 500g | 6          |
| 13   | Agar Plate Count                              | OXOID | Frasco x 500g | 13         |
| 14   | Agar Saboreaud Dextrosa                       | OXOID | Frasco x 500g | 7          |
| 15   | Medio S.I.M.                                  | OXOID | Frasco x 500g | 8          |
| 16   | Agar Hierro Triple Azucar (Agar TSI)          | OXOID | Frasco x 500g | 16         |
| 17   | Agar Triptona Soya (Agar Casoy)               | OXOID | Frasco x 500g | 6          |
| 18   | AGAR VRB LACTOSA                              | OXOID | Frasco x 500g | 3          |
| 19   | Violet Red Bile Glucose Agar                  | OXOID | Frasco x 500g | 2          |
| 20   | Medio XLD x 500 Gramos (Agar XLD)             | OXOID | Frasco x 500g | 19         |
| 21   | Agar Base XLT-4                               | OXOID | Frasco x 500g | 1          |
| 22   | Agua de Peptona Bact. Tamponada               | OXOID | Frasco x 500g | 35         |
| 23   | Peptona Bacteriológica                        | OXOID | Frasco x 500g | 9          |
| 24   | Suplemento Biselenito de Sodio                | OXOID | Frasco x 100g | 5          |
| 25   | Caldo BHI Cerebro Corazón (INFUSION)          | OXOID | Frasco x 500g | 3          |
| 26   | Caldo Bolton                                  | OXOID | Frasco x 500g | 3          |
| 27   | Caldo Verde Brillante Bilis 2% (Caldo Brilla) | OXOID | Frasco x 500g | 2          |

• **Garantía del producto:**

El contratista debe garantizar que los bienes suministrados corresponden a la marca original y que cuenta con las garantías de fábrica correspondiente.

El suministro de los kits se hará de conformidad al requerimiento que haga el supervisor del contrato. Esto atendiendo a la demanda del servicio que tenga el laboratorio.

Los bienes objeto del contrato deben tener como mínimo una fecha de vencimiento superior a un año, contado a partir de la fecha de su entrega.
