

Reunión prevención síndrome de Quervain y pausas activas

[illegible]

The screenshot shows a Zoom meeting in progress. The main window displays a presentation slide titled "BIENESTAR FAMILIAR" (Family Well-being). The slide content is a sequence of 10 steps for a sign language gesture, labeled "1. Open & Close Fingers". The steps are illustrated with line drawings of hands. The steps are:

1. Open & Close Fingers
2. Open & Close Fingers
3. Open & Close Fingers
4. Open & Close Fingers
5. Open & Close Fingers
6. Open & Close Fingers
7. Open & Close Fingers
8. Open & Close Fingers
9. Open & Close Fingers
10. Open & Close Fingers

The Zoom interface is visible, showing the top toolbar with icons for file, edit, share, and other functions. The bottom toolbar shows icons for chat, reactions, and screen sharing. A participant in the top right corner is smiling and has their arms crossed. The Zoom interface also shows a "BIENESTAR FAMILIAR" logo in the top right corner of the presentation area.
