MY ACCOUNT VEEAM UNIVERSITY SUPPORT

Dear Veeam Customer,

Thank you for your recent Veeam purchase! As the designated Veeam License Administrator, you play a key role in managing your organization's Veeam assets. Below is all the information you need to get started or to manage your Veeam licenses.

If you are not the correct License Administrator, follow the steps below immediately and open a case to update the License Administrator.

Your License Details

Product: Veeam Data Platform - Foundation Edition

License Quantity: 10 Instances

Production Support ID: 03855950

Expiration Date: November 21, 2026

Access and Manage Your Veeam Licenses

1. Create or access your Veeam account
   - New to Veeam? Register for a Veeam account. How to create an account.
   - Existing customers: Sign in FAQ.
2. Not the designated Veeam License Administrator?
   - Open a case to "Change License Administrator"
3. Download products and license keys
   - Download your Veeam product(s)
   - Access your license key(s) (License Administrators only).
4. Manage support access
   - Manage Case Administrators. Learn more about the Case Administrator role

Need Assistance?

- Open a Support Case (License and/or Case Administrators, Support Partners only)
