The Place and The Statue
Elements (What elements are there?)
From the viewpoint, you can see:
The City: A panoramic and complete view of the entire city of Cali.
The Valley: In the distance, you can see the Cauca River valley.
Structures: There is a small chapel, restaurants, and shops.
The Statue (Elemento importante)
The main element is the statue of Christ:
Material: Made of reinforced concrete.
Height: 26 meters (85 feet) tall.
Weight: It weighs approximately 464 tons.
Design: It shows Jesus with his arms open wide, protecting the city.
Inaugurated: October 25, 1953.

Personal Learning Environment
Objectives
Improve technical English skills.
Understand documentation and tutorials in English.
Communicate more confidently in T.I.
Prepare for future job opportunities in IT.
Advice
Listening to music, watch movies or series and play video games in English helps improve listening skills and increases vocabulary.
Self-learning habits
Autonomous learning.
Daily study routine.
Learning by practice.
Problem-solving in English.
Continuous learning.
Use of technical vocabulary.
Repeat (Shadowing).
Advice
Daily practice is very important in the learning process. I am currently learning to develop in Java.
Tools
Oracle help center.
Stack Overflow.
ChatGPT.
Youtube.
MDN web docs.
Advice
Reading documentation is fundamental, especially to learn how to develop in a new programming language.
