The screenshot shows the 'SECRETARIA DISTRITAL DE SALUD' web application. The main section is 'Doc Pendientes' (Pending Documents). It includes a sidebar with navigation options like 'PQRSDF', 'Doc. Electrónico', 'Radicación', 'Consultar', 'Gestionar', 'Administración', 'Personalizar', and 'Reportes'. The main content area has tabs for 'Digitales' and 'Electrónicos', a 'Gestionar' button, and a search bar. Below the search bar is a table with columns: '#', 'No Radicado', 'Tipo', 'Asunto', 'Fecha Radica...', 'Fecha Recibido', 'Fecha Vencimiento', 'Remite', and 'Destinatario'. The table is currently empty, showing 'Sin datos para mostrar'. At the bottom, there is a 'Crear filtro' button and a footer with 'eProcess Extended © 2023 - 2026' and a version number.
