ASSET TRANSFER FORM

This Asset Transfer Form ("**Form**") form effects legal transfer of Transferor Assets to the Transferee. By signing, you agree to the terms below and represent that you have authority to bind the entity for which you sign.

1. TRANSFEROR HEREBY TRANSFERS THE ASSETS SPECIFIED IN APPENDIX A TO TRANSFEE AND INSTRUCTS COHESITY TO UPDATE ITS RECORDS TO REFLECT SAME. Transferee's use of Assets shall be subject to the applicable terms at www.cohesity.com/agreements. This Form may not be used to transfer Assets licensed on an 'enterprise-wide', 'unlimited' or similar basis, and any such purported transfer shall be void *ab initio*. The transfer of Assets shall be effective when confirmed in writing by Cohesity. Details of the Transferor, Transferee and Assets are in Appendix A. "**Asset**" means a right pursuant to an Agreement to use or benefit from any Cohesity-supplied products or services.
2. Transferor and Transferee hereby each represent and warrant that this transfer is lawful and made in good faith for bona fide business purposes.
3. Transferor acknowledges and agrees that the transfer of Assets includes transfer of proof-of-purchase certificates, media and printed materials, any upgrades, the serial numbers, and any license keys, and agrees not to retain any transferred Assets or associated materials. ONCE THE TRANSFER OCCURS, ANY AND ALL INFORMATION RELATING TO THE TRANSFEROR IN COHESITY'S POSSESSION MAY BE AVAILABLE TO THE TRANSFEE; TRANSFEROR SPECIFICALLY CONSENTS TO AND AUTHORIZES THIS.
4. Except as expressly provided herein, nothing in this Form amends a Party's rights, liabilities or obligations as of the date all parties have signed this Form. To the extent reasonably possible, this Form shall be interpreted to be consistent with any existing agreements between or among the parties and in the event of conflict this Form shall prevail. This Form may be amended by written agreement of the parties only.
5. Approval of this transfer request remains in Cohesity's sole discretion. Cohesity reserves the right to request further information from Transferor or Transferee in connection herewith.
