Commit d191db4

claude committed 3 weeks ago Verified

```
feat: agregar boton de billete aleatorio en formulario de compra

Boton sutil con icono de dado al lado del titulo "Numero" que genera
automaticamente 4 digitos aleatorios, selecciona una serie disponible
al azar y establece 1 fraccion. Minimo impacto en la interfaz existente.

https://claude.ai/code/session_01WTbEJHa9nd8kVVoKCirXH8
```
