Declaration of Authorization

To Whom It May Concern:

This is to certify that **TECNOLOGÍAS GENÉTICAS LTDA, NIT 830.145.062-0**, based in Bogotá, Colombia, is our authorized distributor in the Republic of Colombia for the sale, commercialization, distribution, and the provision of technical service for all Biotium instruments and products.

This authorization covers both the commercialization of new equipment and spare parts, as well as the maintenance, calibration, and technical support of equipment already sold within the Colombian territory.

Sincerely,

Eric Torres
Marketing Manager
