Phone	+57 322 8854060
Website	https://www.mosquera-cundinamarca.gov.co/tema/observatorios/observatorio-de-mujer-y-genero--omgm
Project title	Knowledge on the Road: The Mosquerunas' traveling collective laboratory
One paragraphe summery of your project (500 hits max)	“Knowledge on the Road: The Mosquerunas’ Traveling Collective Laboratory” is a feminist, intersectional initiative based in Mosquera, Colombia, designed to democratize knowledge production through the collective narratives of diverse women. Using participatory action research, the project creates a mobile laboratory that recognizes subaltern memories, strengthens political agency, and challenges patriarchal structures by fostering inclusion, representation, and historical recognition.
Is it a :	team project
Have you applied for other grants?	no
Please let us know about the time frame of your project	December 2027
