

Durante esta reunión se evaluaron algunas de las propuestas planteadas para indicadores y en salud en la Zuma Bosa Apogeo. Dentro de los indicadores planteados está la posibilidad de una vigilancia basada en comunidad, una vigilancia centinela de habitantes con diagnóstico de asma y enfermedad pulmonar obstructiva crónica, y finalmente el uso del software AirQ+ para evaluar mortalidad asociada a contaminación del aire.

A screenshot of a Zoom meeting interface. The top bar contains icons for a grid view, a red mute button, and two blue icons on the right: a pencil and a star. The main area displays eight participant tiles in a 2x4 grid. The first tile shows a woman's video feed with the name 'MARIA ...' below it. The second tile is green with a large white 'M' and the name 'MARIA ALEJANDRA CHARRY V...' below it. The third tile shows a woman's video feed with the name 'Olga Sarmiento' below it. The fourth tile is brown with a circular profile picture and the name 'karem johanna delgado garcia' below it. The fifth tile is purple with a large white 'A' and the name 'Ana M. Rodríguez' below it. The sixth tile shows a woman's video feed with the name 'Stephanie Majerowicz' below it. The seventh tile is teal with a large white 'S' and the name 'sandra milena barbosa fernandez' below it. The eighth tile is dark grey with a circular profile picture, a large white 'R', and the text '15 más' below it. The ninth tile shows a man's video feed with the name 'CESAR ALEJANDRO GENEY C...' below it. The bottom bar shows the time '13:10', the title 'Virtual: Mesa d', and a Windows taskbar with various application icons. On the right side of the bottom bar, there are icons for a home button, a mute button, a video button, a chat button, a gallery view button, a grid view button, a red button, and a help button. The system tray on the far right shows the temperature '18°C', the weather 'Nublado', the language 'ESP LAA', the time '13:10', and the date '11/03/2026'.
