Dear Linda and Baptiste,

It’s a pleasure to write to you again. I hope you're both doing very well.

We’re truly happy to have your participation in BOG25. I’m writing this time to talk about the possibility of having you join us for the Biennial’s opening. A few days ago, you mentioned that this might be an option, and of course, it would be a great joy for us to have one of you present at the opening of your installation.

We know your schedule is very full, but it would be a real honor to welcome you here. And since the date is approaching, we believe it’s a good time to begin coordinating the details of a possible trip to Bogotá.

The official opening of BOG25 will take place on **September 20**, but we would love for you to visit the installation of your work during the **pre-opening on September 19**. With that in mind, we’d like to propose the following itinerary:

- **Outbound:** Marseille → Bogotá – *Wednesday, September 17*
- **Return:** Bogotá → Marseille – *Sunday, September 21*

Do you think it might be possible for one of you to make the trip? And if this itinerary works for you, could you please confirm it? If any changes are needed to the dates or times, don’t hesitate to let us know — we’ll do our best to accommodate them.

Lastly, if one of you is able to come, would you mind sending us a copy of the passport? We need it in order to move forward with the flight booking and other logistical details.

Sending you both a big hug, and I’ll be very happy to hear from you soon.

Warmly,

María Alexandra

Queridas en viaje de ellos siempre fue clave…
Por qué además siempre dijeron que tenían que venir al montaje. Es clave que dispongan a su deseo artístico las bolas

Yo pensé que estaba en lo de Aviatur ..
no lo podemos meter? Con el de Iván ? Que son más caros que uno de Brasil o child ?

Dear María,

Thanks for your message, and we hope you are well. We are very delighted to work with you on this project.

Sorry for our late reply, we were finishing projects before summer break.

Thank you very much for your proposition. Linda and I have been talking about sending one of us. But we get so excited by the project, that we realize it is hard to not live this together. Could we make the flight booking for two and we pay for the extra ticket?
Because we are a couple, this should not change much for the accommodation.
The itinerary works for us, but it is a bit short. We would like to know if it is possible for you to extend it for 2 days more.

Hope to hear from you soon.
Best regards
Take care

Linda & Baptiste

Dear Linda and Baptiste,

Thank you for your lovely message. We're truly delighted to hear how excited you both are about the project — and we couldn't imagine a better scenario than having you both join us in Bogotá for the opening of the Bienal.

If it's within your possibilities to cover the cost of the second ticket and the related travel expenses, we will be more than happy to coordinate the arrangements mentioned in our previous email, as well as accommodation for both of you. We would truly love to make this happen.

To ensure you can enjoy your stay in Colombia without rushing, we would like to propose the following extended itinerary:

- **Outbound:** Marseille → Bogotá – *Wednesday, September 17*
- **Return:** Bogotá → Marseille – *Wednesday, September 24*
-

We would greatly appreciate it if you could confirm whether this itinerary works for you. If you have any specific preferences or requirements regarding the schedule or any other aspects, please let us know — we'll do our best to accommodate your requests.

Once the dates are confirmed, we will begin the process of purchasing the ticket. As soon as we are ready to proceed with the purchase, I will inform you so that you can buy the second ticket under the same conditions.

I look forward to hearing from you

Warm regards, A big hug

Dear Maria,

Super, merci beaucoup !
We can't wait to meet you.

17 - 24 september sounds perfect. If Marseille is complicated, Paris can be an option.
We are ready when you are. (If we need to make a quick move, we can synchronise around 9-10 am for you and 4-5pm for us).

Hope to hear from you soon.
Take care.
