APRIL 2ND 2025

SUBJECT: New Partnership with Star Logistics in Colombia

To Whom It May Concern

At ACI LUBES, we have proudly built a legacy over the past 3 years, establishing strong relationships worldwide. Our success is anchored in a dedicated approach, technical expertise, and an in-depth understanding of processes, ensuring we deliver the right solutions for every project.

We are excited to announce our commercial partnership with Star Logistics in Colombia. As a direct customer, Star Logistics will now serve as a trusted source for our range of premium products, including brands such as HYSOL, AEROSHELL, TECTYL, ROYCO, CRC, MOMENTIVE, LPS AND SHERLOCK

This collaboration allows customers in Colombia to access high-quality products directly from a local partner, the government entity receiving our products will benefit from direct support and safety standards from the factory, we are committed to ensuring that all our products meet the highest quality assurance,

If you have any questions or require additional details, please feel free to reach out. We look forward to furthering our collaboration and supporting your business needs.

Best regards,
ACI LUBES
