RE: Supplier Relationship

To Whom It May Concern:

This letter is to verify that DH Sutherland is a supplier of raw materials for the advanced composites and aerospace industries to STAR LOGISTICS. We are proud to provide premium products from quality suppliers like Henkel Aerospace, 3M Aerospace, PPG Aerospace, Socomore, Kaneka Aerospace, and many others. Furthermore, we support the products we supply with superior technical and customer service.

The items we supply to Star Logistics can be traced through the invoice or packing slip with each batch coming from the manufacturer. This ensures we can provide full support for the products we distribute.

If there are any questions regarding our relationship with STAR LOGISTICS, please contact me directly.

Best regards,

Dwight Baker

Business Development Manager
