EVIDENCE 2: DEMONSTRATIVE PRONOUNS AND CLOTHES VOCABULARY

Topics from the guide: demonstrative pronouns, clothes vocabulary, singular and plural nouns, verb to be.

1. Presentación del tema

In this evidence, apprentices will describe clothes, uniforms and work-related items using the demonstrative pronouns this, that, these and those. They will identify if an object is close or far, and if it is singular or plural. They will also use the verb to be correctly: is / are.

El objetivo de esta evidencia es que los aprendices puedan observar una imagen relacionada con un contexto industrial o laboral y describir prendas de vestir, uniformes y elementos de protección personal usando oraciones sencillas en inglés.

Esta guía toma como base los temas de la guía original: Demonstrative Pronouns y Clothes Vocabulary. Las imágenes de apoyo incluidas sirven para ilustrar esos temas y preparar la evidencia final.

A. Grammar explanation: Demonstrative pronouns

Los demonstrative pronouns se usan para señalar personas, objetos o lugares. En esta evidencia se usan para señalar ropa, uniformes o elementos de protección personal.

DEMONSTRATIVE PRONOUNS

Use demonstratives to point to objects: close / far and singular / plural.

THIS

close

This is a helmet.

THAT

far / singular

far

That is a jacket.

THESE

close / plural

close

These are gloves.

THOSE

Those are safety boots.

this/that + is | these/those + are

Imagen de apoyo: this / that / these / those según distancia y número.

Demonstrative	Distance	Number	Verb to be	Example
This	Close / near	Singular	is	This is a helmet.
That	Far	Singular	is	That is a jacket.
These	Close / near	Plural	are	These are gloves.
Those	Far	Plural	are	Those are safety boots.

Usamos this cuando hablamos de un objeto cercano y singular. Example: This is a helmet. / Este es un casco.

Usamos that cuando hablamos de un objeto lejano y singular. Example: That is a jacket. / Esa es una chaqueta.

Usamos these cuando hablamos de varios objetos cercanos. Example: These are gloves. / Estos son guantes.

Usamos those cuando hablamos de varios objetos lejanos. Example: Those are safety boots. / Esas son botas de seguridad.

B. Grammar explanation: Verb to be

En estas oraciones usamos el verb to be en dos formas principales: is y are.

Number	Demonstratives	Verb	Example
Singular	this / that	is	This is a mask. / That is a jacket.
Plural	these / those	are	These are goggles. / Those are boots.

Regla clave: This + is + singular noun / That + is + singular noun / These + are + plural noun / Those + are + plural noun.

C. Grammar explanation: Singular and plural nouns

Un sustantivo singular habla de una sola cosa: helmet, shirt, jacket, mask, uniform. Un sustantivo plural habla de dos o más cosas. Generalmente se agrega -s: helmets, shirts, jackets, masks, uniforms.

Algunas prendas o elementos normalmente se usan en plural porque vienen en par o tienen dos partes: pants, jeans, shorts, shoes, boots, gloves, goggles.
