A screenshot of a Windows taskbar. On the left, there is a weather icon showing 13°C. Next to it is the Start button (Windows logo). A search bar contains the text "Buscar". To the right of the search bar are several application icons: a cat, a document, a folder, a globe, a calendar, a mail icon, a music icon, a red shield, a Chrome icon, a Teams icon, and a university crest. On the far right, the system tray shows a volume icon, a microphone icon, network status (ESP LAA), and the date and time (8:02 a.m. 10/04/2025).
