Who are my students as EFL learners?

1. Who are my students as EFL learners

1. What can students do in English with confidence? **Current ability**
2. What is something they still struggle with? (comprehension, oral production, writing, vocabulary) **Difficulty they may have** 😭
3. What support/strategy increases participation?

Examples: modeling, visuals, pair work, gamification, sentence frames, shorter tasks, L1 support?
