PARTE 4
PART 4

Read the text below and select the correct word for each space.
Mark A, B or C on your answer sheet.

Ejemplo:

- A. for
- B. by
- C. to

Respuesta: A

Helping at Home

Responsible consumption is very important (0)___ our families. Every day, we use many things (14)___ plastic bottles, paper, and food. We can help the Earth at home. First, we can recycle. We put paper in one bag and plastic in (15)___ bag. This is easy and very good for the environment.

My brother and I (16)___ recycle our old school papers. Second, we can save water and energy. When you brush your teeth, (17)___ the water. It is a simple action. Also, turn off the lights when you leave the room. We use glass bottles for water because we do not like to use much plastic. Plastic is bad for the oceans and the fish. Buying only the things we need is (18)___ a great idea. At the supermarket, we use a cloth bag, not plastic bags. Small changes in our house help the planet.

14. A. like B. as C. how
15. A. other B. another C. others
16. A. always B. never C. once
17. A. open B. close C. play
18. A. also B. but C. or

PARTE 5
PART 5

Read the text about tropical forests.
Choose the correct answer A, B, or C based on the text.

Ejemplo:

Why do the tropical forests have a lot of water?

- A. Because of the animals.
- B. Because it rains many days.
- C. Because of the clean air.

Respuesta: B

The Big Green Forests

Tropical forests are very special places in our world. They are big and green. Many trees live there. These forests have a lot of water because it rains many days. You can find different animals like colorful birds, small monkeys, and big snakes. These animals are very happy in the trees.

The forests are the lungs of our planet Earth. The forests also have beautiful flowers. Some flowers are red and some are yellow. Insects like butterflies fly near the trees. We need to help the forests because they are important for the air. People sometimes cut the trees, and this is very bad for the animals.

When the trees are gone, the monkeys do not have a home. We can protect the forests. We can plant new trees and learn about the plants. Children in school study the forests to help nature. If we care for the forests, the world is a better place for everyone. The green trees give us clean air to breathe every day. We love our beautiful green planet.

19. According to the text, which animals live in the trees?

- A. Colorful birds and snakes.
- B. Big whales and fish.
- C. Only yellow butterflies.

20. What colors are some of the flowers in the forest?

- A. Blue and green.
- B. Red and yellow.
- C. Orange and pink.

21. Why are forests important for our planet Earth?

- A. Because they provide clean air.
- B. Because they have many people.
- C. Because they are big and old.

22. What is a bad action for the animals in the forest?

- A. Planting new trees.
- B. Learning about plants.
- C. Cutting the trees.

23. Who studies the forests to help nature?

- A. Monkeys in the trees.

- B. Children in school.
- C. Butterflies in the air.

PARTE 6

PART 6

Read the text about the forest.
Choose the best conclusion (A, B, C, or D) for each question.

Ejemplo:

If there are no trees, what happens to the air?

- A. It is not clean.
- B. It is very blue.
- C. It is yellow.
- D. It is small.

Respuesta: A

The Big Green Forests

Tropical forests are very special places in our world. They are big and green. Many trees live there. These forests have a lot of water because it rains many days. You can find different animals like colorful birds, small monkeys, and big snakes. These animals are very happy in the trees. The forests are the lungs of our planet Earth. The forests also have beautiful flowers. Some flowers are red and some are yellow. Insects like butterflies fly near the trees.

We need to help the forests because they are important for the air. People sometimes cut the trees, and this is very bad for the animals. When the trees are gone, the monkeys do not have a home. We can protect the forests. We can plant new trees and learn about the plants. Children in school study the forests to help nature. If we care for the forests, the world is a better place for everyone. The green trees give us clean air to breathe every day. We love our beautiful green planet because it is our home.

24. Based on the text, why are trees important for humans?

- A. They have colorful birds.
- B. They give us air to breathe.
- C. They are yellow and red.
- D. They are big and green.

25. We can conclude that cutting trees is bad because...

- A. monkeys lose their houses.
- B. children like to study.
- C. butterflies fly high.
- D. it rains many days.

26. What does the text suggest about the future of the planet?

- A. It needs our help to stay good.
- B. Schools are always in the forest.
- C. Flowers are always yellow.
- D. It only has big snakes.

27. Why are children learning about the plants?

- A. To cut the trees.
- B. To help nature.
- C. To find small monkeys.
- D. To catch big snakes.

28. The text implies that a world without forests is...

- A. a better place.
- B. very special.
- C. bad for everyone.
- D. full of birds.

PARTE 7
PART 7

Read the text below and choose the correct word (A, B, C or D) for each space.
Mark the correct letter on your answer sheet.

Ejemplo:

- A. much
- B. many
- C. any
- D. a

Respuesta: B

Helping at Home

Responsible consumption is very important for our families. Every day, we use (0) many things like plastic bottles, paper, and food. We (29) help the Earth at home. First, we can recycle. We (30) paper in one bag and plastic in another bag. This is easy and (31) good for the environment.

My brother and I (32) recycle our old school papers. Second, we can save water and energy. When you brush your teeth, (33) the water. It is a simple action. Also, turn off the lights when you leave the room. We use glass bottles for water because we do not like to use much plastic.

Plastic is bad for the oceans and the fish. Buying only the things we need is also a great idea. At the supermarket, we use a cloth bag, not plastic bags. Small changes in our house help the planet. We can be heroes for nature every day. It is fun to be responsible and clean. We can help the planet together for a better future.

29. A. can B. does C. is D. are
