Subject: Visa Support Letter – Invitation to the United Kingdom

To Whom It May Concern,

The Skoll Centre for Social Entrepreneurship at the University of Oxford is pleased to support the visa applications of the following individuals from Colombia:

- Ms Dora Lucila Troyano Sanchez, Passport No. BG073476
- Ms Anyi Ballesteros Llanten, Passport No. BA647435
- Ms Deyanira Dominguez Giron, Passport No. BA647436

These individuals have been invited to the University of Oxford to participate in an event on social entrepreneurship and peacebuilding in Colombia, organised with the support of our current Skoll Scholar and MBA student, Luisa Fernanda Romero Munoz, who is also from Popayán, Colombia.

The event will take place on 10 June 2026 at 5:00 pm at St John's College, University of Oxford. It aims to provide a platform for community leaders from conflict-affected regions to share their experiences and insights on building sustainable livelihoods as a pathway to peace. The invited participants represent community-led initiatives based in Cauca, where they are actively contributing to peacebuilding through entrepreneurship in the gastronomy and textile sectors.

Their presence will be of great value to our students, faculty, and wider network, offering first-hand perspectives on how grassroots organisations are fostering economic inclusion and social cohesion in post-conflict settings.

We respectfully request that the appropriate visas be granted to enable their travel to the United Kingdom for this academic and non-commercial engagement.

Should you require any further information, please do not hesitate to reach out.
