CONCLUSIÓN

Durante el periodo comprendido entre el 01 y el 30 de junio de 2026, el servicio de conexión a internet mediante canal dedicado y banda ancha, correspondiente al contrato No. 071-2026, operó de manera continua y en óptimas condiciones, cumpliendo con los requerimientos establecidos.

Se garantizó una conectividad estable, segura y de calidad en las instalaciones administrativas y en la I.E. Agrotécnico Mixto del municipio de Belén de los Andaquíes, evidenciando un adecuado desempeño del servicio durante todo el periodo. No se presentaron caídas ni interrupciones significativas, lo cual permitió el normal desarrollo de las actividades y la continuidad en las operaciones.

Las evidencias y registros correspondientes respaldan el correcto funcionamiento del servicio, confirmando el cumplimiento de las condiciones técnicas exigidas.
