Agilent Technologies, Inc
Matthew Tharp
Western District Sales Manager
Vacuum Products Division

Date: Barueri March 16, 2026.

CERTIFICATION

Agilent Technologies, Inc. is a worldwide company with diversified technologies directed to markets with high growth in special industries such as: science and health, Pharma, Research, Food, Diagnostics, Environmental & Forensics and Chemical & Energy. We provide complete workflow solutions – custom packages of equipment, software, services, informatics, consumables, and most of all, knowledgeable people who partner with customers to achieve their goals.

We certify that **NMTX S.A.S**., located at Street 27 South # 25-28, Bogota D.C., Colombia, is currently the sole Authorized Distributor of Agilent's vacuum equipment in Colombia.

We also certify that all Agilent Technologies, Inc. products offered and distributed by **NMTX S.A.S.**, are recently manufactured at the present time.

For the record, we inform that this statement does not represent exclusivity in the distribution of Agilent-branded products and may be modified at any time, either through the designation of another distributor or through changes to the contractual conditions.

This certification is valid until December 31st, 2028.

Sincerely,

Matthew Tharp

CERTIFICACIÓN

Agilent Technologies, Inc. es una compañía global de tecnología diversificada dirigida a los mercados en alto crecimiento dentro de las industrias de la ciencia y salud, Industria Farmacéutica, Investigación, Alimentación, Diagnóstico, Medio Ambiente, Forense, Química y Energía. Agilent Technologies, Inc. provee soluciones para flujos de trabajo totales, paquetes personalizados de equipo, software, servicios, informática, consumibles, y en especial, personas altamente conocedoras que se asocian con sus clientes para lograr sus objetivos.

Certificamos que **NMTX S.A.S**., ubicada en Street 27 South # 25-28, Bogotá D.C., Colombia, es actualmente la única distribuidora autorizada de los equipos de vacío de Agilent en Colombia.

También certificamos que todos los productos de Agilent Technologies, Inc. ofrecidos y distribuidos por **NMTX S.A.S**., son de reciente fabricación en la actualidad.

Por oportuno informamos que esta declaración no representa exclusividad en la distribución de los productos de la marca Agilent y podrá ser alterada en cualquier momento, a través de la designación de otro distribuidor o incluso alteración en las condiciones contractuales.

Esta certificación tiene vigencia hasta el 31 de diciembre de 2028.

Atentamente,

Matthew Tharp
