

CRUCE DE VARIABLES ESC 1:350

The map displays a watershed area with several distinct zones and features:

- Legend:**
 - PIEDRA VERDE
 - LINDERO
- Topographic Features:** The map includes brown contour lines indicating elevation changes across the terrain.
- Colored Zones:**
 - Green Zones:** Large areas of bright green and dark green, likely representing different land use or vegetation types.
 - Blue Zone:** A circular area in the upper right, possibly a reservoir or a specific land use zone.
 - Grey Zone:** A large, irregularly shaped area in the lower right, labeled "CENTRO DE DESARROLLO INFANTIL COSECHANDO SUEÑOS".
 - Orange Zone:** A small area in the upper right, adjacent to the blue zone.
- Boundaries:** A blue line outlines a specific boundary, possibly a watershed limit or a property line.
- Infrastructure:** A network of thin black lines represents roads or trails within the area.
