Marni Baker-Stein

Marni Baker-Stein,
Chief Content Officer

David Sebastian Mina Choco

has successfully completed the online, non-credit Professional Certificate

Microsoft Power BI Data Analyst

The role of a Power BI data analyst includes working closely with business stakeholders, collecting data, performing analyses, creating visualizations, & presenting actionable data-driven insights. Learners engaged with the key concepts of Power BI, transforming data into meaningful insights and creating compelling reports & dashboards. They learned to prepare data in Excel for analysis in Power BI, form data models using the Star schema, perform calculations in DAX, & more.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
