Project Management: Foundations and Initiation

Project Planning and Execution

Agile Project Management

University of Colorado Boulder

Mar 23, 2025

David Sebastian Mina Choco

has successfully completed the online, non-credit Specialization

Project Management

The Project Management specialization is designed to be an introduction to the project management discipline, including the concepts, tools and techniques used in the management and leadership of projects. Key topics covered include the role of the project manager; the project team; cost, schedule and risk management; quality in projects; and the project lifecycle.

Christy Bozic
Lockheed Martin Professor of Engineering Management
University of Colorado Boulder

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
