Asunto: COURSE OPENING
Dear learners, before starting your training process, it is so important to:
1. Explore the menu items through the "Project" folder and the official navigation demos of the platform on the page https://sena.territorio.la/
2. Update personal information on the SENA SOFÍA Plus website.
3. Do the preliminary survey, located in the Previous Activities button.
4. Make your personal introduction in the Social forum, located in the Forums button.
5. Check the Software Requirements in the folder "Course Content".
Cordially, virtual English instructor Jenny Perdomo
