Rated capacity/rated load

Travel speed, laden/unladen

One-Touch Rack Height Select

Tilt Position Assist

Joystick Controller

Finger-operated joystick controller, designed for smooth and precise control of multiple functions.

Electric Power Steering

Electric Power Steering as standard feature, with smart steering wheel present a light and relaxing steering experience in operation.

Curtis controller and display

36volt CURTIS AC control system, smaller electric current to ensure the reliability of the battery system. Multi-function display for battery status, hour meter, fault code, slow running state, etc.

Heavy mast steel

C type heavy gauge mast steel from Germany, met with RUYI's structure design and construction delivers powerful performance and superior reliability.

Advantages

- Rated load is 1.6T with good reach ability.
- The integrated operating joystick combines the functions of forward/backward travel, fork tilting, and horn, thus reducing operator fatigue.
- With a high traveling speed of 10.5 km/h at full load and 11 km/h without load, the forklift can easily navigate the aisles of warehouses or workshops, enhancing production efficiency.
- The I-shaped beam, coupled with the double lifting chains and columns at the back of the mast rail, offer a broader operational view.
- The overhead guard, secured by the bolt connected to the mast, not only safeguards the operating cab but also enhances the stability of the mast during lifting operations.
- The pin lock prevents unauthorized operation, enhancing safety

We OEM for Jungheinrich/Dossan/Clark/Yale/Hyster

MAKE EVERYTHING EASIER

Our factory have been researching and producing warehouse logistic equipment since 1985,Product line have Electric stacker/reach truck,electric forklift,manual stacker ,hand pallet truck and etc.

Also do OEM for DOSSAN/JUNGHEINRICH/ CLARK/ HYSTER / YALE etc.

Now we are recruiting distributors of our own high-end intelligent warehouse equipment brands MOVME

STRONG FACTORY STRENGTH

- 36 year's experience
- 8 international approvals
- 150,000m2 factory area
- 1,200 employees
- 188 professional mechanical technicians
- 77 senior engineers
- 500 types warehouse equipment
- 157 countries and regions exported to

Recruit MOVME Agent all over the world

Under the current international environment, the electric industry will definitely develop vigorously. As a the new brand in the warehousing and logistics industry, MOVME has the strength factory and high-end products as the main support power.

Now we are looking for agents all over the world to expand our brand In the market, please give us a chance to cooperate, you will get the same quality products as the world's famous brands.

**Customer
satisfaction is
always our goal**
