Evidence: Forum "My eating habits"
Dear Apprentice,
In this evidence we will share information about food meals and your habits in this topic. You will require to do 2 activities:
1. Describe your eating habits. (a. What kind of food do you eat? b. What time do you eat? c. What is your favorite food?) Please use the quantifiers some / any / much / many / a lot, in your description.
Example: I eat all types of food: fruit, vegetables, meat, etc. I usually have a big breakfast with chocolate, bread and scramble eggs. I have lunch at 12 in my office. I usually eat a portion of meat, some rice or potatoes and a lot of salad...
2. Ask two (2) questions about one of your classmate's eating habits. Please use the quantifiers any/ much/ many / a lot.
Example: a. What is your favorite fruit? b. Do you eat any vegetables?
3. Answer your classmate's questions.
Example: a. My favorite fruit is watermelon, it is delicious. b. No, I don't like any vegetables in my food.
Estimado aprendiz,
