**Transition to Lightera Brand**

March 24, 2025

Dear Customer,

We are pleased to share an important update regarding our company's evolution. Starting April 1, 2025, we will unify our global operations under a new brand, **Lightera**. This transformation brings together Furukawa Electric's three optical fiber cable business units—Fiber Cable Division (Japan), OFS Fitel, LLC (OFS), and Furukawa Electric LatAm S.A. (FEL)—under one integrated structure.

By combining our expertise in optical fiber, cable, structured cabling, connectivity solutions, and professional services, we will deliver even greater value and innovation to customers worldwide.

Sincerely,

Holly Hulse
