MATERIAL SAFETY DATA SHEET

		SPECIFIC RISKS
1.	***IDENTIFICATION***	
1.1.	*Commercial name*	***Broncho-Vaxom®*** *adults/children capsules* ***Broncho-Munal®*** *adults/children capsules*
1.2.	*Supplier*	*OM PHARMA* *22, rue du Bois-du-Lan* *CH-1217 Meyrin 2/Genève* *Phone N° : 022 / 783 11 11 Fax N° : 022 / 783 11 22* *E-mail : mailbox@ompharma.com*
1.3.	*Types of use* *(for other informations see the technical sheet)*	*Pharmaceutical*
1.4.	*Other data*	*---*
2.	***CHEMICAL CONSTITUTION OF THE PRODUCT***	
		The active substance is a lyophilized bacterial lysate composed mainly of proteins, peptides and amino-acids.
2.1.	*Other data*	*---*
3.	***PHYSICAL PROPERTIES***	
3.1.	*Physical state*	*Creamy white powder in hard gelatine capsules (blue/blue for adults and blue/white for children).*
3.2.	*Characteristic temperatures*	*---*
3.3.	*Solubility*	*Partly soluble in water.*
3.4.	*pH*	*---*
3.5.	*Vapour pressure*	*---*
3.6.	*Density*	*---*
3.7.	*Other data*	*Water content : not more than 10 %.*
4.	***STORAGE AND HANDLING***	
4.1.	*Precautions during storage and handling*	*Preserve in tight containers.* *Store between 15 and 25 °C.*
4.2.	*Materials for packaging or bottling*	*Aluminium and PVC/PVDC blisters or polyethylene bags as bulk material.*
4.3.	*Hazardous reactions with*	*None*

Name of product : ***Broncho-Vaxom® / Broncho-Munal®***

4.4. Hazardous decomposition products	*None*
4.5. Individual protective measures	*Avoid inhalation and contact with eyes.*
4.6. Special protective measures	*Avoid inhalation and contact with eyes.*
4.7. Measures after spillage or leakage	*Sweep gently and wash with water.*
4.8. Other recommendations	*---*
5. IGNITION AND EXPLOSION	
5.1. Flash point	*---*
5.2. Self-ignition temperature	*---*
5.3. Special fire and explosion hazards	*None*
5.4. Extinguishing media	*---*
5.5. Special fire protective measures	*---*
5.6. Other recommendations	*---*
6. TOXICOLOGICAL INFORMATIONS	*LD_{50} p.o. more than 5000 mg lyophilizate/kg* *(5000 mg of lyophilizate is equivalent to the intake of a single dose of either 125 adults capsules or 250 children capsules).*
7. FIRST AID PROCEDURES	*In case of contact with eyes, rinse abundantly with water.*
8. ECOLOGICAL INFORMATIONS	*No ecological problem.*
9. SPECIAL INFORMATIONS	*---*

The sheet completes the technical sheet of use but it doesn't replace it. The informations contained in this sheet are based on our knowledge of the product at the date of November 2006.

They are given quite sincerely. Moreover the attention of the users is drawn on the risks possibly taken when a product is used for other utilisations than those for which it is intended.

Presentation and rules of drafting complying to the standard NF T 01-100
