In the event that the Customer becomes liable to deduct or withhold an amount by way of tax or otherwise from payment of the fees, or if Bentley is required to collect any sales, use or other taxes from the Customer, the Customer shall pay such additional amount as will be necessary to ensure that the amount of the fees received by Bentley equals the amount that would otherwise have been received in the absence of such deduction, withholding, tax or duty. In addition, if the Customer is liable to deduct or withhold an amount by way of tax from payment of the fees, the Customer shall furnish to Bentley official receipts evidencing Customer's payment of such taxes.
